* Fees of graduation party and graduation photo album are not included(20,000yen).

* After the entrance, applicant would pay the fee(2,100yen) of airport bus.

* Note 1 :

Student welfare expenses include overall disaster injury compensation insurance premiums. This insurance is made for international students to have a studying life with peace of mind

It is compensated in case of accident or injury or hurting other people or break things by accident.

The below compensation will be accepted.

- 1 Treatment expenses for accident or illness etc will be paid (except dental medical treatment).
Join "**National health insurance**" by your own and plus with this insurance, the treatment medical expenses which students have to pay will be Zero.
- 2 When you accidentally damage others' things with a bicycle (excluding cars and motorbikes) or injure others, the compensation / treatment expenses will be paid.
- 3 Expenses, such as traveling costs in case a relative runs from his native country by hospitalization are paid. Moreover, transfer expense when transported to its native country are paid in a grievous injury, serious illness, etc.
Expenses such as travel expenses will be paid for the relatives who fly from home country to Japan due to your hospitalization etc. Also, in case of major injury or major illness, you have to go back to your home country, the transportation costs etc will be paid.

However, depending on type of insurance, it has disclaimers

"National Health Insurance"

It is a medical insurance that the foreigners who live in Japan for one year or more have to join. 70% of treatment expenses are paid by this insurance, participants pay 30%. In the case of a foreign student, insurance costs 22,000 yen for one year.

After entrance, please go to Ward office to do this paper work

*30% treatment expenses which you paid for might be returned by joining Student welfare expenses. (there are some disclaimers)

VII. THE PROCESS FROM APPLICATION TO ENROLLMENT

Application to our school · Application documents submitted · Field interview conducted and pass the school selection.

After examining the application documents at our school, submit "Application for granting certificate of eligibility" to Osaka Immigration Bureau.

The Osaka Immigration Bureau inform the school of the issuance / non-issuance of the "Certificate of Eligibility of Certificate of Eligibility".

In April admission, the end of February the following year

In October admission, at the end of August of the same year

We notify the applicant or the studying abroad agency about the issuance / non-issuance of "Certificate of Eligibility".

The applicants transfer tuition fee etc. to our school or through the study abroad agency

The applicant applies for student visa at the Japanese Embassy or Consulate in his / her home country with the "Certificate of Eligibility and Certificate of Enrollment" , "Admission Permit" and other documents

When you get student visa, please contact us immediately. Please arrive in Japan on the date designated by our school.

After entering Japan or coming to school, take a placement test (classification test).

An entrance ceremony, orientation , Classes start

VIII. OTHERS

1 .

Living expenses in Japan

- 1 About 80,000 yen (included housing rent) per month are required as average living expenses besides the school tuition.
- 2 It is difficult to balance living expenses with part-time jobs and studies with the income from part-time jobs, so it should have sufficient funds preparation.
- 3 Please bring six month dormitory fee and administrative fee at the time of entrance to dormitory (only for dormitor) about 250,000 yen.
- 4 It should beter to bring to Japan about 500,000 yen for six month living expenses

2. Part Time Job

Part time job is probited as a rule under the status of "studying abroad "

Therefore, when a foreign student want to use leisure time from study time, an "Permission for Other Activity" of the Immigration Bureau is required.

A part-time job within 28 hours a week is possible after being permitted. (For reference: In case of Osaka, part-time fee is about 880 yen to 1000 yen per hour, about 100,000 yen per month)

(However, on summer vacation/winter vacation/spring vacation working time will be possible until 8 hours per day)

3. Dormitory

- 1 In order to be confident in learning, the school prepare dormitory for students.
Students must live in dormitory at least half a year. In case you want to move out after entering the dormitory, we will not refund the dorm fee
- 2 Dormitory fee (At the entrance, you must pay for a half of year and administrative fee is required)
- 3 If you plan to live with a family in Japan or relative, please inform us in advance.
We might hold a interview the person who you plan to live with. At the same time, that person will submit the documents as a guarantor.
