V. ADMISSION PROCEDURES

- ① After admission screening, our school will issue an "Admission permit" and apply your documents for the "Certificate of Eligibility" to the Osaka Immigration Bureau. The "Certificate of Eligibility" will be issued and the payment procedure will be completed. After confirming the payment, the "Admission Permit" and "Certificate of Eligibility" will be mailed to you. After arrival, please apply for a visa at the Japanese Embassy in your country.

② Other notes

(1) If you do not pay the tuition fee by the designated date, your Admission Permit may be cancelled.

(2) As the school year begins on April 1st (or October 1st), if there is any refusal to enter our school by March 31st (or September 30th) we will refund the tuition fees excluding the Selection fee and Entrance fee.

(3) If you are refused to issue a visa at the Japanese Embassy in your country after issuing the Certificate of Eligibility, you will be refunded the tuition fees excluding the Selection fee.

Besides, if you decline the admission after receiving the visa, we will refund the tuition fees excluding the Selection fee and Entrance fee.

(4) If you decline to enroll after April 1st (or October 1st), we will not be able to refund the fees paid. (The tuition fee paid will be used for the cancellation fee)

VI. SCHOOL EXPENSES

Items	Expenses	Period of Payment
Selection fee	20,000 Yen	After obtaining the Certificate of Eligibility, remit the school expenses to the school's bank account within the designated period
Entrance fee	60,000 Yen	
Tuition fee for one year	660,000 Yen	
Teaching materials fee (1 year)	20,000 Yen	
Off-campus activities (1 year)	20,000 Yen	
Student welfare expenses (1 year) *note 1	16,000 Yen	
Total expenses for the 1st year	796,000 Yen	

*Fees for the graduation party and graduation photo album are not included (20,000yen).

*After entrance, the applicant needs to pay the fee (6,000yen) for the airport bus.

*The cost of the bank transfer fee needs to be borne by the applicant.

*Note 1: Student welfare expenses (insurance fee of 12,300 yen and health checkup fee of 3,700 yen) include overall disaster injury compensation. This insurance is provided for international students to allow them to study abroad with peace of mind.

It is compensated in case of accident or injury or in the event of injuring other people or damages incurred in accidents.

The below compensation situations will be accepted.

① Treatment expenses for accident or illness etc. will be paid (except dental medical treatment).

Join the "National health insurance" scheme on your own and combined with this insurance, the treatment for medical expenses which students have to pay will be zero.

② If you accidentally damage someone's things with a bicycle (excluding cars and motorbikes) or injure others, the compensation / treatment expenses will be paid.

③ Expenses, such as traveling costs in case a relative has to visit from his/her native country in the event of hospitalization are paid. Moreover, transport expenses when someone is transported to his/her native country are paid in the event of grievous injury, serious illness, etc.

Expenses such as travel expenses will be paid for the relatives who fly from their home country to Japan due to your hospitalization etc. Also, in case of major injury or major illness, if you have to go back to your home country, the transportation costs etc. will be paid.

However, depending on the type of insurance, there are some disclaimers.

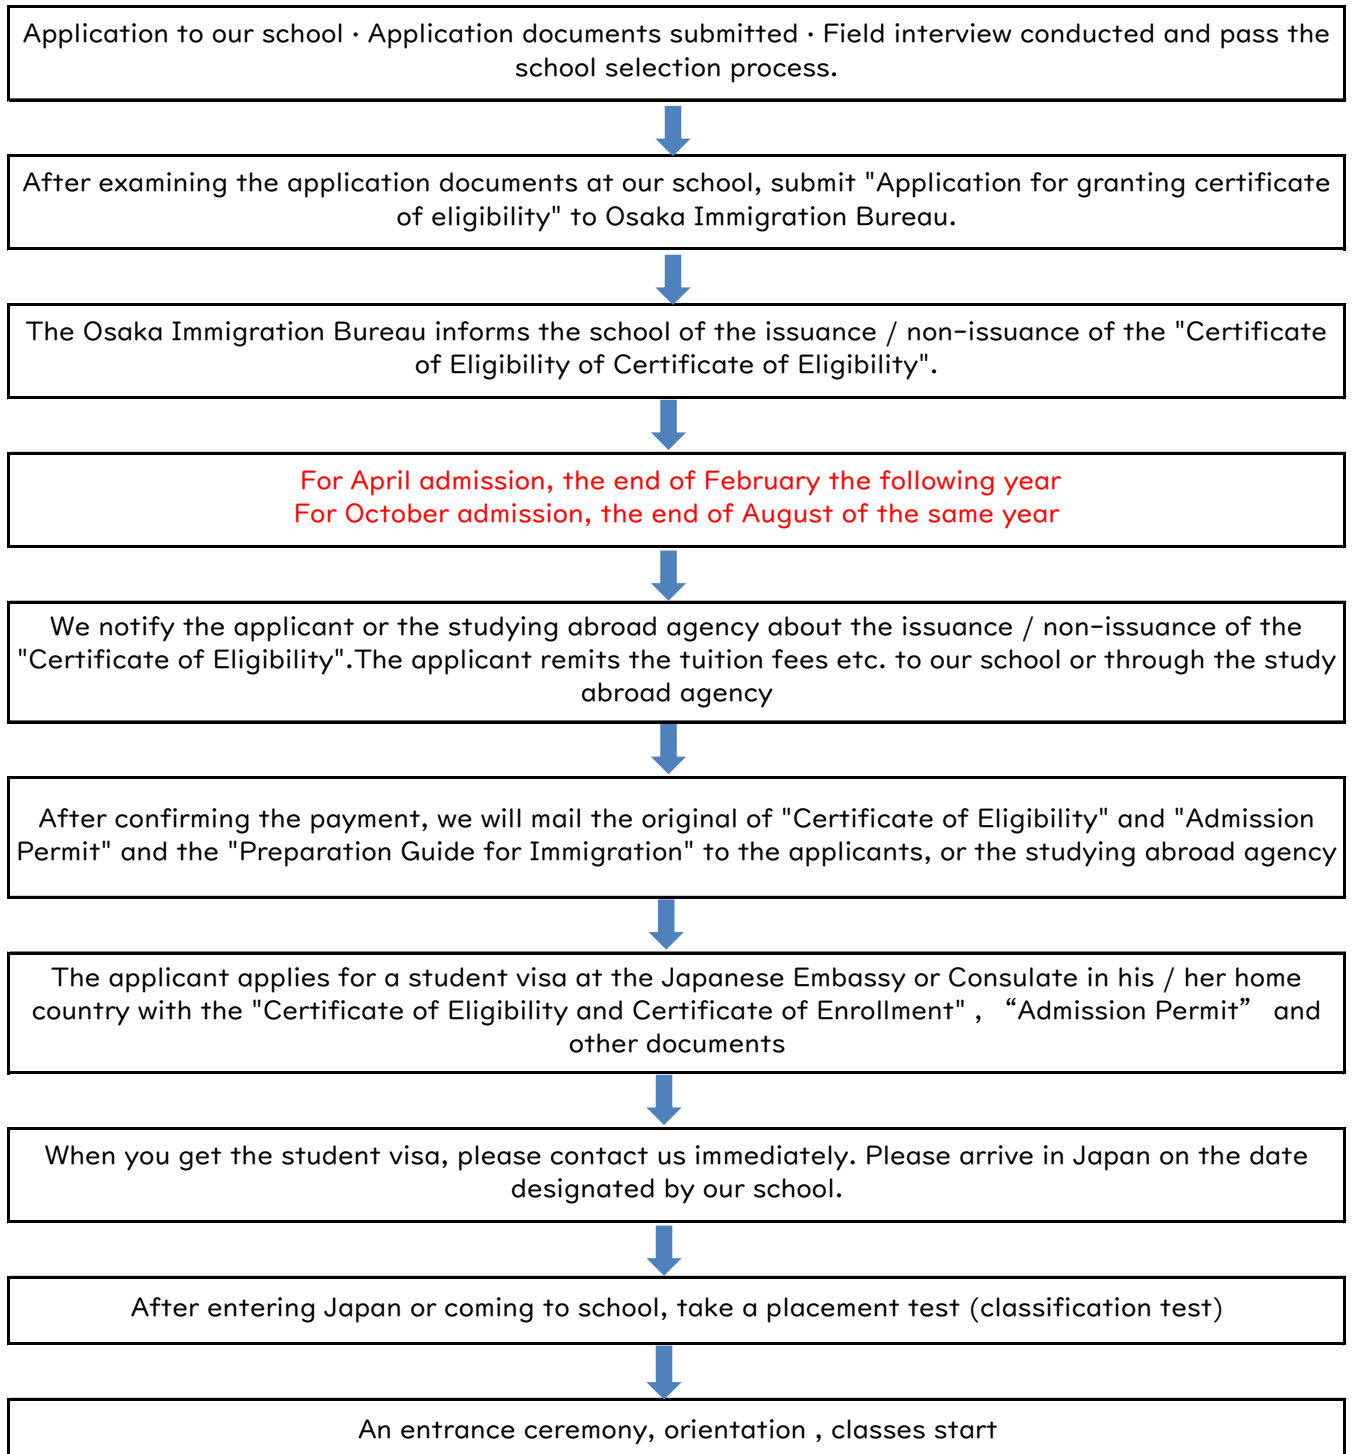

"National Health Insurance"

It is a medical insurance program that foreigners who live in Japan for one year or more have to join. 70% of treatment expenses are paid by this insurance, and participants pay the remaining 30%. In the case of foreign students, the insurance costs 22,000yen for one year.

After entrance, please go to your local Ward office to do the paperwork to join National Health Insurance program.

*30% treatment expenses which you pay for might be reimbursed by joining Student welfare expenses. (there are some disclaimers)

VII. THE PROCESS FROM APPLICATION TO ENROLLMENT

VIII. OTHERS

1. Living expenses in Japan

- ① About 80,000 yen (included housing rent) per month is required as average living expenses besides the school tuition.
- ② It is difficult to balance living expenses with part-time jobs and studies with the income from part-time jobs, so you should have sufficient funds prepared.
- ③ Please bring six-month dormitory fee and administrative fee at the time of entrance to dormitory (only for those staying in dormitories) about 250,000 yen.
- ④ It is best to bring to Japan about 500,000 yen for six month living expenses

2. Part Time Jobs

Part time jobs are basically prohibited as a rule under the status of "studying abroad".

Therefore when a foreign student wants to use their leisure time from study time, "Permission for Other Activities" from the Immigration Bureau is required.

Part-time jobs up to 28 hours a week are possible after receiving the permission (For reference: in case of Kyoto, part-time job is about 100,000 yen per month)

(However, on summer vacation/winter vacation/spring vacation working time will be possible up to 8 hours per day)

3. Dormitory

① In order to provide a stable learning environment, the school prepares dormitory for students.

Students must live in the dormitory at least half a year. In case you want to move out after entering the dormitory, we will not refund the dorm fee.

② Dormitory fee (At the time of entrance you must pay for a half of year, and an administrative fee is required).

③ If you plan to live with a family in Japan or relative, please inform us in advance. we might conduct an interview with the person you plan to live with. At the same time, the person will need to submit the documents as a guarantor.
